

## Maira Reinbergs

Born in Riga, Latvia, Maira Reinbergs began drawing at the age of four. After fleeing Latvia during WWII, Maira and her family ultimately immigrated to the United States. She received a BFA from the Massachusetts College of Art and currently works from her studio in Attleboro, Massachusetts.

## Artist Statement

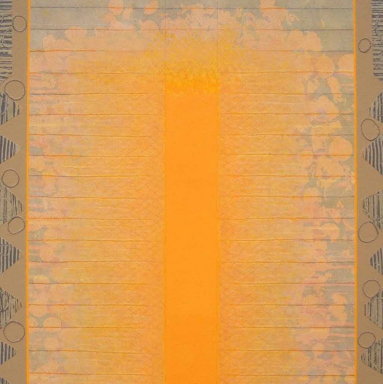

My paintings are explorations of color. I strive to capture its illusiveness, subtleties and mysteries. Often music influences my work; lines and color variations express movement, continuity. My life has had its share of turbulence and sadness. Perhaps to counterbalance this, I strive for my paintings to express tranquility, harmony and beauty.
